**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As an individual consumer, I feel very strongly about having competitive options to choose from. My family also feels very strongly about our provider, what it offers us locally and their approach to business, which we worry we'd lose with deregulation.

Affordable access to broadband is critical to all households and we should all have access to competitive options, as we do with our telephone service.
